WHAT IS THE CO-OP?

The TACC Community Co-Op is our annual sponsorship campaign designed to secure support for our programs and events throughout the year. Returning sponsors are given the first opportunity to renew their sponsorships from the previous year. This means if you were satisfied with your past sponsorship and the value it brought to your business, you have the option to renew before the opportunity is opened to other businesses. After the renewal period, all sponsorships become available to everyone. Don't miss your chance to secure your preferred sponsorships!

This year, we are enhancing the benefits for our sponsors. When you choose to sponsor an event or program, you'll also receive the following additional perks:

- A shoutout in our Chamber Chat Newsletter
- Recognition of your support across our social media platforms

We've also added exciting new features this year, including new events, marketing packages, and additional benefits with each sponsorship. Take a look at the new offerings and let us know how we can best promote your business!

With all these added benefits, be sure to reach out and show your support for the community by securing your sponsorship today!
